

Só Pra Contrariar - Linda

Tom: D

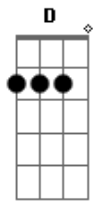

Intro: D Em7 Gbm7 Em7 A7

É uma coisa sem explicação que eu não posso acreditar
 É um amor, é uma pura paixão, não podemos separar

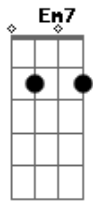

Com você nada tive a perder e aprendi que amar é viver
 É tão bom quando a gente se transforma em um só ser

Ao teu lado eu não temo mais a solidão
 Nos prazeres não consigo esconder a emoção
 Sou escravo desse amor, dessa paixão
 Vem, vem linda, o teu beijo tem sabor de quero mais
 Vem, vem linda, você é a minha luz, a minha paz
