

Só Pra Contrariar - Me Leva No Seu Coração

Tom: G

Intro: Am7 D7 G7 C7 Gbm7 B7 Em7 B7
Em7 Bm7

Você me deixa meio bobo, assim, abandonado

Coração batendo tão apaixonado

Morto de desejo nesta solidão

Saio andando pela rua, acendo um cigarro

Sinto tua falta e dentro do meu carro

O rádio sempre toca a nossa canção

O tempo passa tão depressa e eu vou te esperando

Brigando com esta saudade

Em7

Só eu entendo a minha dor

Atrás de um sorriso eu tento não chorar de amor

Me leva, por favor, amor, me leva

Não me deixe aqui, me leva

Dentro do teu coração, me leva

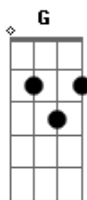

Me leva, não me deixe aqui sozinho

Deixe eu te fazer carinho

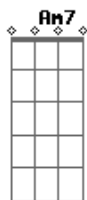

Não afaste a minha mão
