

Só Pra Contrariar - O Amor, Você e Eu

Tom: D

Intro: D Gbm7 Bm Gm7 A D A

Se olhar nos meus olhos verá o que tenho no coração

É o brilho do amor que no meu peito me tatuou

É o mais puro sentimento

E no pensamento teu corpo com o meu

Nos meus sonhos eu vejo o amor você e eu

Essa chama que queima te chama pra viver essa paixão

Você é o meu paraíso É tudo que preciso, não me digas não
Quero ser o teu desejo

Me dá o teu doce beijo Que eu me entrego, sou teu
E então nós seremos o amor, você e eu

Refrão:

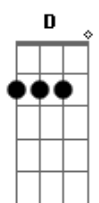

Me deixa mergulhar bem fundo na tua emoção

Eu vou desvendar os mistérios do teu coração

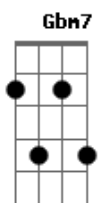

Você, nessa vida, é tudo o que sempre quis, linda

Por favor, me deixa te mostrar o que é ser feliz
