

Só Pra Contrariar - O Que Importa É O Amor

Tom: Bb

Eu quero te aprender na escola do seu coração

Saber sentir viver, aluno da sua emoção

Preciso desfrutar do seu melhor prazer

Seu brilho clarear o que eu não posso ver

Nós dois numa paixão e um sentimento surgir

Pra transar um amor de verdade

Sei que vou me envolver pela última vez
E a primeira na felicidade

O que importa é o amor, seja lá como for

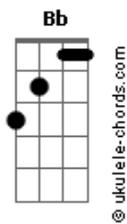

Ter você todo dia, pra sempre assim

Minha vida vai ter outro gosto, o prazer

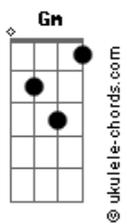

De querer você perto, bem perto de mim
