

Só Pra Contrariar - Vem Morar Comigo

Tom: G

Intro: G E7 Am D7

É você o meu tesouro, minha paz, meu aconchego

Mas tem hora que é difícil

Você tira o meu sossego

Quando durmo do teu lado me acalma os teus beijos

Mas às vezes tô sozinho e acordo com desejo

Pego um livro, ligo o rádio, nada é suficiente

Solitário te possuo, como faz um adolescente

Resisti todo esse tempo pra aceitar o teu pedido

Já não tem mais cabimento

Vem, amor, morar comigo

Eu resisti ao encantamento

Conheço o canto das sereias

Aceito a mudança dos ventos

E o farol da Lua cheia

Quando te vi no firmamento

Perdi o medo do perigo

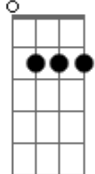

Eu só não bato nos rochedos

Se você viajar comigo
