

Soak - Sea Creatures

Tom: A
Intro: A E A E

The stars and moon, remind me of you
I don't know what to say, it might make you worse
I don't understand, what her problem is
I think she's just a fish

I know you get it bad, you don't deserve this
And I won't put up with their ignorance
And they tell you they love you
Well they don't mean it

I don't think they know what they mean
I don't think they know what love is
Throw it around like it's worthless
I don't think they know what love is

I don't get this town
Neither do you, we should run away

Just me and you, cause I don't get
the people here, they're curious
They don't really care (oh-oh)
Sea creatures (oh-oh), interfere
(oh-oh) I wish they would disappear
(oh-oh, oh-oh, oh-oh, oh-oh)
They don't know what love is
Throw it around like it's worthless
They don't know what love is!
(E)

I pray for you
And you know I don't like Jesus
Want you to get better
Please, please get better
For you, for me
