

# S.o.a.p - Call Me

tom: Dm G

I miss the times  
 When we were two  
 The shinny days  
 Now I'm so blue  
 And they're so far  
 Away from me

I want you back, don't you want me back?

Call me, say you love me  
 I'm so lonely, please believe me, oh  
 Don't you wanna start again?  
 Don't you wanna fall in love again?  
 And I don't wanna leave the smell of you

Still kept in my own bed  
 And make me miss you more

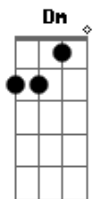

Call me, say you love me  
 I'm so lonely, please believe me, oh

Don't you wanna start again?  
 Don't you wanna fall in love again?  
 Call me, say you love me  
 I'm so lonely, please believe me, oh

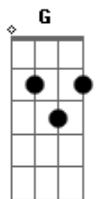

Don't you wanna start again?  
 Don't you wanna fall in love again?  
 Now I know it's over  
 We will never be together, oh

Call me, say you love me  
 I'm so lonely, please believe me, oh  
 Don't you wanna start again?  
 Don't you wanna fall in love again?
