Intro: Bb7M Gm7 Dm7

Bb7M Gm7 Dm7  
You have never heard about a samba like this

Bb7M Gm7 Dm7  
Let me guide you to my little cave

Bb7M Gm7 Dm7  
I fell in the ocean of your body

Bb7M Gm7  
And I'm trapped in your eyes

Dm7  
I don't want to escape

Bb7M Gm7

I wanna melt in your mouth

Dm7  
I lost myself in your breast

Bb7M Gm7  
I lay down in your legs

Dm7  
I don't want anyone else

Bb7M Gm7  
You say: Suck my kiss

Dm7  
And I will suck your soul

Bb7M Gm7  
Baby, I can't resist

Dm7  
You make my mind blow
