

Sofia Carson - Grey Area (feat. Grey)

tom: ^D

Ooh oh, oh oh, oh ^{C G Em}
 Ooh oh, oh oh, oh oh ^{G D}

[Primeira Parte]

Feels like you're always moving ^C
 Feels like I always suck ^G
 But you see me as a girlfriend ^{Em G}
 Just somebody that you're ^{D G}
 Messing up, I don't need this ^C
 But you've got a golden touch ^G
 That's why I'm always coming ^{Em G}
 Scared that I'll say too much ^{D G}

[Pré-Refrão]

If I tell you what I want ^C
 What I really, really want from you ^{Em}
 Would you give me what I want? ^D
 What I really, really want from you ^C
 If I tell you what I want ^C
 What I really, really want from you ^{Em}
 Would you give me what I want? ^D
 What I really, really want ^D

[Refrão]

'Cause you know what it is ^C
 I wanna call it ^C
 I'm leaving here in love ^{Em D}
 Or brokenhearted ^C
 So, baby, come on let's just finish ^{Em}
 What you started ^D
 I can't, I can't stay with you ^{Em}
 In this grey area ^D

[Segunda Parte]

I stare at your bedroom ceiling ^C
 I really hate these sheets ^{Em}
 Said we could roll between 'em ^D
 Said that it won't mean, uh ^C
 Anything, I was lying ^C
 Didn't know it at the time ^{Em}
 Now we're forever talking ^D
 To ask if it's yours or mine ^D
 [Pré-Refrão]

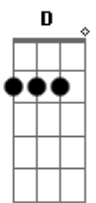

If I tell you what I want ^C
 What I really, really want from you ^{Em}
 Would you give me what I want? ^D
 What I really, really want from you ^C
 If I tell you what I want ^C
 What I really, really want from you ^{Em}
 Would you give me what I want? ^D
 What I really, really want ^D

[Refrão]

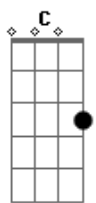

'Cause you know what it is ^C
 I wanna call it ^C
 I'm leaving here in love ^{Em D}
 Or brokenhearted ^{Em D}
 So, baby, come on let's just finish ^C
 What you started ^{Em}
 I can't, I can't stay with you ^D
 In this grey area ^D
 [Terceira Parte]

You know what it is but you won't say it ^C
 You don't feel my touch unless it's naked ^{Em D}
 So, baby, come on let's just finish what you started ^{A D}
 I can't, I can't stay with you in this grey area ^{Em D}
 Ooh oh, oh oh, oh ^{C G Em}
 Ooh oh, oh oh, oh oh ^{G D}
