

Sofia Carson - I Miss U More Than U Know

tom:

Waking up alone is somethin' I've been getting used to
 It's been a while since I?could?call you mine
 I?tell all my friends that I've?been happier without you
 But I still think about you all the time

You ripped my heart out
 Split me open
 I kinda wish you knew

How much you pull me through
 You ripped my heart out

I think you broke it
 Don't know if you'll ever see how much you hurt me

Yeah, I know that I said
 You'd be easy to forget
 But I know I'll never get you off my mind
 And I know that I said that I'd wish we'd never met
 But it's only 'cause you let me go
 I miss you more than you know

I miss you more than you know
 I miss you more than you know
 I miss you more than you know
 I miss you more than you know

When you packed up all your things
 I told you I was happy
 But better off without you was a lie
 I tell all my friends that I've been happier without you
 But I still think about you all the time

You ripped my heart out
 Split me open
 I kinda wish you knew
 How much you pull me through
 You ripped my heart out
 I think you broke it
 Don't know if you'll ever see how much you hurt me

Yeah, I know that I said (That I said)
 You'd be easy to forget
 But I know I'll never get you off my mind
 And I know that I said that I'd wish we'd never met (That I said)
 But it's only 'cause you let me go
 I miss you more than you know

I miss you, I miss you more than you know
 'Cause you let me go
 I miss you more than you know
 I miss you more than you know
 I miss you more than you know
