

Sofia Frozza - Ily

tom:

Hey
 You're inside my brain
 Open the champagne
 Dancing in the rain
 I can feel your life in my head
 I just want to feel safe with you
 Can I kiss you one more time?

Probably a crime

I don't wanna die
 I love you
 Maybe you just want to fly

And I tried to glint

And I swear I tried
 I love you

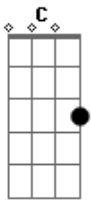

Hey
 You're inside my brain
 Open the champagne
 Dancing in the rain
 I can feel your love in my head
 I just want to feel safe with you
 Safe with you
 Can I kiss you one more time?
 Probably a crime

I don't wanna die
 I love you
 Maybe you just want to fly

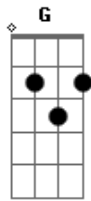

And I tried to glint

And I swear I tried
 I love you
