

# Soft Cell - Tainted Love

Tom: C

Sometimes I feel I've got to run away I've got to  
 Get away from the pain that you drive into the heart of me  
 The love we share seems to go nowhere  
 And I've lost my light for I toss and turn I can't sleep at night

Once I ran to you (I ran)  
 Now I'll run from you  
 This tainted love you've given  
 I give you all a boy could give you  
 Take my tears and that's not nearly all Tainted love,  
 Tainted love,

tainted love

Now I know I've got to run away I've got to  
 Get away, you don't really want any more from me  
 To make things right, you need someone to hold you tight  
 And you think love is to pray, but I'm sorry I don't pray that way

Repete refrão

Don't touch me please, I cannot stand the way you tease  
 I love you though you hurt me so, now I'm going to pack my things and go  
 Tainted love, tainted love  
 Tainted love, tainted love

## Acordes
