

S.O.J.A. (Soldiers of Jah Army) - Be With Me Now

Tom: Gb

Intro: 3x: Abm Bb Ebm Abm

Abm Bb Ebm B Db Gb

Abm Bb
In two months I'm through the doorway,
Eb Abm
Put my guitar on the floor,
Abm Bb
And you will sit and tell me,
Eb Abm
That you can't take anymore,
Abm Bb
And you will sit and wonder,
Eb Abm
What I can only speculate,
Abm Bb Ebm
That time is going to be telling us what we don't want it to say.

B
So just be with me now,
Eb Db B
With your hair wrapped around my fingers,
Eb Db B
Where your words turn into whispers,
Eb Db Abm
Where you fall asleep and dream, dream,
B
That you could be with me now,
Eb Db B
As I keep track on my fingers,
Eb Db B
Of the cities and the strangers,
Eb Db B
Of the pieces of my dreams.

Abm Bb
It's been so long since I've seen you,
Eb Abm
Almost forgot your face,
Abm Bb
And time it brings me full close to,
Eb Abm
But it does the opposite for me.

Abm Bb
So I've got my hallways and my hotels
Eb Abm
And a ticket with my name
Abm Bb
It's been too long since I've seen you
Eb Abm
And there's so much to say.
B
But just be with me now,
Eb Db B
With your hair wrapped around my fingers,
Eb Db B
Where your words turn into whispers,
Eb Db Abm
Where you fall asleep and dream, dream, dream
B
That you could be with me now,
Eb Db B
As I keep track on my fingers,
Eb Db B
Of the cities and the strangers,
Eb Db B
Of the pieces of my dreams.

B
That you could be with me now, yeah
Eb Db B
Where your words turn into whispers,
Eb Db B
Your hair wrapped around my fingers,
Eb Db Abm
You fall asleep and dream, dream, dream
B
That you could be with me now, yeah
Eb Db B
As I keep track on my fingers,
Eb Db B
The cities and the strangers,
Eb Db B
All the pieces of my dreams.
