cause we spent our days together Gm
as if before were never F
like ever days at all, and now, and now F Gm Eb
and you said i'd be the one Gm
the one who got away from, from you F Gm
you knew it all it all well

(REFRÃO)
Gm if i can't make it better Eb
and you can't make it better Bb

Gm if i can't make it better Eb
and you can't make it better Bb
Then what are we to do F Gm
and tell me, tell me Gm
spend our lives in limbo Eb
wondering and keep coming back Bb
a little phone call F
a little weakness becomes a broken heart Gm
and then the tears fall down your face Eb
and you turn away from your computer screen Bb
but it won't stop, and it won't change F
until we walk away, until we walk away Gm
hey, angels up there help us now Eb
we're running ourselves down and out Bb
and we don't know what to F Gm
don't know what to do at all, at all Eb
at all, at all Bb
two, we know we far away from one F
baby, we're so far away
