

# S.O.J.A. (Soldiers of Jah Army) - By My Side

Tom: Bb

Gm F Bb Cm  
 I act like I left her, but I really beg her to stay.  
 And the more that I press her is the more she slips  
 away.  
 Act like I don't need her but...Yo, you're  
 necessary...  
 Like ten days from now I won't see your face when I  
 sleep.

Gm F Bb Cm  
 Act like I can hear, but Jah knows I'm deaf.  
 Act like I can see but now, yo, from me sight has  
 left.  
 Act like I don't know but, I know these things...  
 Act like I don't feel it but I'm gonna feel it, every  
 morning now on

Chorus (one measure or four reggae skanks per chord):

Gm Bb  
 Each morning, on each night  
 Cm F  
 when I need you by my side  
 on each morning and on each night  
 when I need you

Like I don't care but each and every time  
 your face comes across it never ever leaves my mind.

Oh, like I don't know but...I know your thing  
 like I don't feel it, but I'm gonna feel it every  
 evening now on -

Each morning, on each night  
 when I need you by my side  
 on each morning and on each night  
 when I need you

N.C. (maybe an Bb to Cm if anything)  
 I act like I left her, but the truth is I beg her, beg  
 her to stay...

Gm F Bb  
 Cm  
 And the more that I press her, means all the more that she  
 slips away.  
 Act like I don't need her, but I'm here to tell you  
 that you're necessary.  
 Like ten days from now I won't see your face when I'm  
 on -

Each morning, on each night  
 when I need you by my side  
 on each morning and on each night  
 when I need you by my side.

- On each morning and on each night when I need you so  
 desperately.
