

S.O.J.A. (Soldiers of Jah Army) - By My Side

Tom: Bb

Gm F Bb Cm
 I act like I left her, but I really beg her to stay.
 And the more that I press her is the more she slips
 away.
 Act like I don't need her but...Yo, you're
 necessary...
 Like ten days from now I won't see your face when I
 sleep.

Gm F Bb Cm
 Act like I can hear, but Jah knows I'm deaf.
 Act like I can see but now, yo, from me sight has
 left.
 Act like I don't know but, I know these things...
 Act like I don't feel it but I'm gonna feel it, every
 morning now on

Chorus (one measure or four reggae skanks per chord):

Gm Bb
 Each morning, on each night
 Cm F
 when I need you by my side
 on each morning and on each night
 when I need you

Like I don't care but each and every time
 your face comes across it never ever leaves my mind.

Oh, like I don't know but...I know your thing
 like I don't feel it, but I'm gonna feel it every
 evening now on -

Each morning, on each night
 when I need you by my side
 on each morning and on each night
 when I need you

N.C. (maybe an Bb to Cm if anything)
 I act like I left her, but the truth is I beg her, beg
 her to stay...

Gm F Bb
 Cm
 And the more that I press her, means all the more that she
 slips away.
 Act like I don't need her, but I'm here to tell you
 that you're necessary.
 Like ten days from now I won't see your face when I'm
 on -

Each morning, on each night
 when I need you by my side
 on each morning and on each night
 when I need you by my side.

- On each morning and on each night when I need you so
 desperately.
