

# S.O.J.A. (Soldiers of Jah Army) - Can't Tell Me

Tom: C

(intro 2x) G Am Bm Am G

G  
I like women and I love getting high,  
Am  
I like a house and a car just fine but  
Bm Am  
I love Jah and creation too,  
G  
and I don't really care if it's all right with you.  
G  
I love my family even the bald heads,  
Am  
and I love my friends even with no dreads,  
Bm Am  
'cause we all get by and to ourselves stay true -  
Gm  
and I don't really care if it's Rasta to you.

(refrão 2x)

Em  
You can't tell me who I am  
Am  
'cause I'm working on that too.  
Bm Am  
What's right for me just ain't right for you.

(repete o verso)

Unless you're ready for your own judgment,  
Don't do nothing before you judge yourself.  
You see me around and everything that I do...  
Guess what dog - I've seen you too.  
But I don't judge how you live your life  
'cause I know we're all trying to get by  
You see me around and everything that I do  
Guess what dog? Jah seen you, too.

(refrão)

You can't tell me who I am  
'cause I'm working on that too.  
What's right for me just ain't right for you.

(verso)

Soy un hijo de Jehova  
Que mas puedo yo decir  
Velo por mf caminar  
Y ando recto por ahi  
Si al pasar me has de juzgar  
DIOS se encargara de ti  
Y soy humano como tu  
Me caf me levante  
Y de mi error logre aprender  
En la vida hay que entender  
Que el juzgar esta de mas  
Anda entiendolo ahora tu

(refrão)

You can't tell me who I am  
'cause I'm working on that too.  
What's right for me just ain't right for you.

(solo)

(verso)

Y'all remind me of a place  
we all call the Middle East,  
where people fight over their laws  
that they swear God handed down.  
But while they hold to their side fast  
thinking that they've got the only righteous path,  
I've seen that they all missed the bottom line -  
True love is the only thing that will forever last.  
You can't tell me who I am  
'cause I'm working on that too.  
What's right for me just ain't right for you.
