

S.O.J.A. (Soldiers of Jah Army) - I Don't Wanna Wait

Tom: A

Intro:

I don't wanna wait
 I don't wanna wait
 I don't wanna wait
 I don't wanna wait

They say "way back when knew how", but
 there's nothing telling you now just to
 do your right and not your wrong, when
 wrong is easy, and right is hard, and

We've all got our weaknesses
 and only you know what yours is, but
 your "tomorrows" are all that seems to
 escape from your lips...

But I don't wanna wait... today
 for something that might never ever show its face... I can't
 I promise that I've heard to much already yeah... to me
 it seems ridiculous to trust in all of your games... you play
 theres one night, one world, one chance and...

I don't wanna wait
 I don't wanna wait
 I don't wanna wait
 I don't wanna wait

Moving forward to right now
 a government that let you down
 a racist leader no one trusted and
 an army that's bigger than us and

a poverty on a global scale
 A fragile world with fragile air and
 fragile water I'm sure they'll put
 off till tomorrow...

But I don't wanna wait... today
 for something that might never ever show its face... I can't
 I promise that I've heard to much already yeah... to me
 it seems ridiculous to trust in all of your games... you play
 theres one night, one world, one chance and...

I don't wanna wait
 I don't wanna wait
 I don't wanna wait for you and your games (no I don't no oh
 no)
 I just can't wait...wait...I just can't

I'm skipping forward to the ending, to that
 point or two impeding to that
 moment that all that stops that
 one day when that bottom drops

And we remember our voices
 had a chance yea we had our choice but
 time is a luxury we as a people we
 might no longer afford

But I don't wanna wait... today
 for something that might never ever show its face... I can't
 I promise that I've heard to much already yeah... to me
 it seems ridiculous to trust in all of your games... you play
 theres one night, one world, one chance and...

I don't wanna wait... there's not enough of time so
 I don't wanna wait... you know Ive got a lot on my mind so
 I don't wanna wait... have to reach the end of the line so
 I don't wanna wait... no im not fine
 Don't wanna wait, don't wanna wait, don't wanna wait, don't
 wanna... it's not for me, not for me, it's not for me no
 I can't wait, don't wanna wait, don't wanna wait, don't
 wanna... it's not for me, not for me now
 Don't wanna wait, don't wanna wait, don't wanna... don't wanna
 wait, don't wanna it's not for me and I know
 I can't wait... and I don't wanna wait.
