 We could spend more time together, I'm talking to you  
 D Bm  
 And you could get out of that mirror  
 G A  
 And we could talk this through  
 G A Bm G A Bm  
 Cause my eyes open, open wide, and all I see is truth  
 G A Bm A  
 That in this life I'll always find you  
 D Bm G A D Bm G A  
 I'll find you , I'll find You  
 D Bm G A  
 The days are passing faster than I ever hoped they would  
 D Bm G A  
 I watch as we grow apart and we separate too  
 G A Bm G A Bm  
 But my hearts open, open wide, and all I need is you  
 G A Bm A D A  
 Bm G A  
 I feel it in the rain and in the roots, it's in the root  
 D Bm G A D Bm G A  
 I'll find you , I'll find You

D Bm G A  
 The seasons changing one by one and we are changing too  
 D Bm A G A  
 We are circling the stars and we are God's own proof  
 G A Bm A D A Bm  
 My minds open, open wide, and as I read the news  
 G A Bm A D  
 We become the cancer that we're trying to remove, to remove

D Bm A G A  
 70 Years in this life and what we got to show  
 D Bm A G A  
 We built a family of millions with millions more to go  
 G A Bm G A Bm  
 My eyes open, open wide, I wake myself for you  
 G A Bm A  
 To thank you for the memories that grew  
 D Bm G A  
 It's all because of you  
 D Bm G A  
 I found you

D Bm  
 If I could spend the rest of my life with my people  
 G A  
 I would do it over and over again  
 D Bm G A  
 I found you  
 D A Bm  
 Just like the land that bares the name africa  
 G Bm A  
 True love is on my mind

 I found you  
 D A Bm G  
 I don't wanna wait today for something

 That might never ever show it's face again

 I open my eyes each morning I rise  
 To find the truth  
 Bm G D A D  
 I found you
