 We could spend more time together, I'm talking to you

 And we could talk this through

 Cause my eyes open, open wide, and all I see is truth
 G A Bm A
 That in this life I'll always find you

 The days are passing faster than I ever hoped they would
 D Bm G A
 I watch as we grow apart and we separate too
 G A Bm G A Bm
 But my hearts open, open wide, and all I need is you
 G A Bm A D A
