

S.O.J.A. (Soldiers of Jah Army) - No Done Yet

Tom: D
Intro: 2x: Bm G D A

And everything was so brand new
 And our words were so true you
 Looked into my eyes, that one last time
 If I had known back then, would I be living with today?
 You might have stayed, but...

It's hard for me when I think about the things that never been
 They keep coming back again like they got something to prove
 I love my memories, but they are awake, controlling me at times
 And I'm so lost without you, yeah, yeah
 (riff refrão)

And I can't get far from it, and from what went wrong
 And I know it's stupid cause its been so long
 The farther I get away, the more that I hold on
 It's just this feeling I get, it's like I'm not done yet
 I'm not done yet
 (Bm G D A) (2x)

I think about those times when we were young,

I can't get far from it, and from what went wrong
 I know it's stupid cause it's been so long
 The farther I get away, the more that I hold on
 It's like I try to forget, somehow I'm not done yet
 I'm not done yet
 (Bm G D A) (2x)

It's hard for me when I think about the things that never been
 They keep coming back again like they got something to prove
 It's like I'm not done yet
 I'm not done yet...
 (Bm G D A)
