

# S.O.J.A. (Soldiers of Jah Army) - Rest Of My Life

Tom: Bb

(intro 4x)

If I could spend the rest of my life with my people  
 I would do it over and over again  
 Leave it up to them to fill up their steeple  
 Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
 I would do it over and over again  
 I live in my mind that I know there's no equal  
 When I'm falling out, yo they pull me back in

It was long ago  
 And we were younger so  
 And our lives we part wrote  
 Feel it, feeling

Yeah

And I remember everyday  
 Sometimes it's too much to take  
 I break down, without heartache  
 And I mean it, and I mean it

If I could spend the rest of my life with my people  
 I would do it over and over again  
 Leave it up to them to fill up their steeple  
 Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
 I would do it over and over again  
 I live in my mind that I know there's no equal  
 When I'm falling out, yo they pull me back in

They say we've had fun but let this go

Music don't go deep but no  
 We think we could help this world if only we try

But we grow up  
 At least that's what they say  
 We can't do this when we pray  
 But I tell myself every day that none of that applies

If I could spend the rest of my life with my people  
 I would do it over and over again  
 Leave it up to them to fill up their steeple  
 Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
 I would do it over and over again  
 I live in my mind that I know there's no equal  
 When I'm falling out, yo they pull me back in

(intro 4x)

All I really need  
 It's all I have ever seen  
 Only thing works for me  
 Is to feel it, feeling  
 And when we turn to leave  
 And others turn to be  
 its always on my sleeve  
 And I mean it, And I mean it

If I could spend the rest of my life with my people  
 I would do it over and over again  
 Leave it up to them to fill up their steeple  
 Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
 I would do it over and over again  
 I live in my mind that I know there's no equal  
 When I'm falling out, yo they pull me back in
