

# S.O.J.A. (Soldiers of Jah Army) - Things You Can't Control

tom:

A

Don't worry about the things you can't control

Don't worry about the things you can't control

Holding on so tight

Just let it go

Don't worry about the things you can't control

What is life? What does it mean to mean?

Trying to keep my head up

Swimming in eternity

Just go with the flow and plant a seed

The harder the wind

The stronger the tree

Don't worry about the things you can't control

Don't worry about the things you can't control

A E  
Holding on so tight

Gb D  
Just let it go

A E A  
Don't worry about the things you can't control

( A E Gb D )

D A  
So intense searching endlessly

D A  
Trying to find what we cant see

D A  
Sometimes it feels like a bad dream

B  
But we're wide awake right now

E  
And this was meant to be

A E Gb D  
Don't worry about the things you can't control

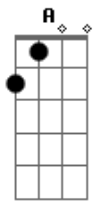

A E Gb D  
Don't worry about the things you can't control

A E  
Holding on so tight

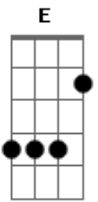

Gb D  
Just let it go

A E A  
Don't worry about the things you can't control
