

# S.O.J.A. (Soldiers of Jah Army) - Used To Matter

Tom: G

See, these days it's different, it's all new.  
 The old is gone and I am too.  
 Wishing I was closer to back when it used to matter  
 All my coins are gone, it's plastic now  
 My Ipod's got me asking 'how could all my albums take me down'  
 To back when it used to matter?'  
 Now it seems that we  
 Are all wrapped up so tight,  
 Light just can't get in  
 And I feel that we can't see  
 Now it seems that we  
 Are all wrapped up so tight,  
 Light just can't get in  
 And I feel, it's not 'maybe'  
 So, my watch is worthless, so is my pen  
 And it seems nothing is greater than  
 Something that takes me Way back when,  
 To back when it used to Matter  
 All the words I write are on a screen  
 And the friends I have have 'added' me  
 And there's no record of anything  
 And now we all cease to matter  
 Now it seems that we  
 Are all wrapped up so tight,  
 Light just can't get in

And I feel that we can't see  
 Now it seems that we  
 Are all wrapped up so tight,  
 Light just can't get in  
 And I feel, it's not 'maybe'  
 So you die when you turn 22  
 But they gonna wait to bury you  
 Cuz you got a 9 to 5 to do  
 And that's supposed to matter  
 So you replace your time in between  
 With other peoples' hopes and dreams  
 And they live their lives on your TV  
 And now you don't even matter!  
 Oh it seems, that we  
 Are all wrapped up so tight,  
 Life just never gets in.  
 And I feel that we can't see.  
 It's not maybe,  
 It's certainly.  
 And I know we can't see,  
 I just want us to be  
 Who were supposed to be  
 And who we are  
 Doesn't it seem like were kinda far  
 From the original plan from the start  
 Back when it used to matter
