## Soko - Shitty day

I hate myself today. [D} I don't know what's happening to me. [D] [G] I hate my face today. [A] I think I look so shitty. [D] [G] I have some spot everywhere. [A] [D] And I'm not even shaved. [D] [G] My hair all greasy. [A] [D] I look disgusting. My eyes are glued. [A] [D] My lips are chapped. [D] [G] My legs are prickling.
[A] [D] And plus I'm stinky today. [G] How can I date someone with a face like that? [G] I know you're gonna dump me again, [D] And I am gonna cry.

## Acordes

[G] Caus you want a perfect girl, [D] [G] And I'm not what you expect. [G] [A] You want a perfect girl, [D] [G] And I look shitty today. Maybe I should put some makeup, And find some crazy outfits. But I am very tired today
And I don't care if I'm not pretty. Should be like these girls, Skinny and great all the time. I'm still wearing my slippers And eat all the candies at home. I should sleep more, And stop going out everyday. I should focus more, And stop complaining today. Tell me, How can I date someone with a face like that? I know you're gonna dump me again, And I am gonna cry. Caus you want a perfect girl, And I'm not so perfect. You want a perfect girl, And I look shitty today. Tell me, how can I date someone with a face like that? I know you're gonna dump me, And I am gonna cry.
