

Soko - Treat Your Woman Right

tom:

Am

Am

F

You love the world

More than you love me

Am F
Though you mean the world to me

Am F
Today my world is collapsing

Am F
Into the void of no return

C
Every word that come

G
From your mouth

Dm
Is just another sign

F G C
For me to let it go

G
But it takes so long

Dm
And I'm not so strong

F G Am
And I miss your face every day

Am
You love your own god

F
More than you love me

Am F
Though you're a god to me

Am F
You've always wanted to protect me

Am F
But now, you're the one that hurt me

C G

You talk to your wise men and they say

Dm F
Women are only here to distract
You from your path so follow your path

G
Follow your track, follow your dreams

C
And let her down

G
You make big talks

Dm
And they equal

F G Am
Do what I say not what I do

Am
You love yourself

F
More than you love me

Am F
Though I love yourself more than me

Am F
I let my ego drift away far

Am
So it won't come back

F
But now I'm losing my way

C G
You're getting stuck

Dm
In your quest for fame

And women, and free love

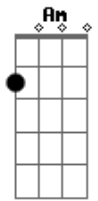

F G C
And all your hippie theories

G Dm
But don't pretend to be all loving

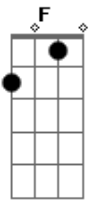

F G Am
If you can't treat your woman right

F G Am
Cause you didn't treat your woman right
