

# Sol Entre Amigos - Perdão

tom:

G

G Em7 Bm7 C

Vivo de momentos em que já não sou

G Em7 Bm7 C  
Sigo-te nas redes, onde oculto estou

Am7 Bm7 C D7  
Sonho realidades em que faço enfim

Am7 Bm7 C D7  
A linha da tua Vida retornar a mim

G Em7 Bm7 C  
Como um simples coalho numa veia faz

G Em7 Bm7 C  
Toda uma vida desandar pra trás

Am7 Bm7 C D7  
Assim uma palavra dividiu nós dois

Am7 Bm7 C D7  
O que seria agora e se tornou depois

F Em7

Como reparar se não permites

F Em7

O ato mais sublime que é dizer

Bm7  
Ah meu amor perdão

Em7  
Sei que escorreguei

Cm7 Am7 D7  
Dá-me tua mão, vem, vem

G Em7 Bm7 C  
Sem o seu olvido quando irá cessar

G Em7 Bm7 C  
Vida após vida esse procurar?

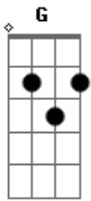

Am7 Bm7 C D7  
Encontrar aquela cujo encanto

Am7 Bm7 C D7  
Inspira e instila esse pranto

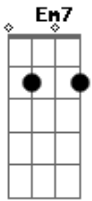

Eb F G  
Enquanto canto

Eb F G  
Enquanto canto
