

Solani - Comunidade Católica Transfiguração - Oração da Manhã

Tom: D

Bom dia Espírito Santo de Deus
 Hoje quero o dia Contigo passar
 Vem guiar os passos meus
 Para a face do Senhor eu contemplar
 Com Tua alegria me contagia
 Com Tua graça me abraça

Envolve o meu ser com Tua presença
 Transforma meu viver, meu viver

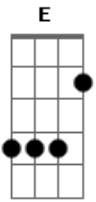

[Solo]

Com Tua alegria me contagia
 Com Tua graça me abraça
 Envolve o meu ser com Tua presença
 Transforma meu viver, meu viver
