

# Sóley - I'll Drown

Tom: E

He's alone in his house out there  
 Far, far away  
 He sleeps with his eyes open  
 He was so sad last night  
 In this house out there  
 He took my hand  
 And whispered  
 ( Dbm E A Dbm )

And life is so sad  
 In this house out there  
 His window's alright  
 His garden is wonderful  
 But this waterfall salt tears  
 Comes from him  
 He will fill his house  
 He takes my hand  
 And whispers

I'll drown when i see you  
 I'll drown when i see you

I'll drown when i see you  
 I'll drown when i see you  
 ( Dbm E A Dbm )

These tears run so fast  
 In his house out there  
 He tried to get out  
 His house took his hand and smiled

You'll never escape  
 From this sad, sad house  
 I take his hand  
 We sink

I'll drown when i see you  
 I'll drown when i see you  
 I'll drown when i see you  
 I do

I'll drown when i see you  
 I'll drown when i see you  
 I'll drown when i see you
