Bright Star Revolution

Ooh ooh
A Bright Star shining like the noonday sun they say a King is on his way
Time is right for a revolution, a tender root shall rule the day
Trouble rising up down in creation, it's getting darker everyday
The bright star compass points to the sun, as a Lion sleeps in the hay
Ooh wahaaaa... A Bright Star Revolution Ooh wahaaaa... A Bright Star Revolution
Gangs in the street out for retribution, its just like Noah in his day
Guns and ammunition are their whipping stick and murder is the game they play
Nation will rise against a nation, just like Messiah had said it would be
Prepare ye the way for the coming of the Kingdom the Morning Star will soon be seen
Ooh wahaaaa... A Bright Star Revolution Ooh wahaaaa... A
