In love with the maiden, the flower of winter
 Lowbrow children, in grove of the inland
 How many times heart's gone through the grinder
 Wherever you look there's a painful reminder

Singing a love song, words of a stranger
 The howling miller, never to face her

Temple of the evil, temple of the weak
 No one knows how bad he feels
 Late-night innuendo, temptation of the key
 Live with the black sheep, live with me

Insanity, blessing for those born to hate you
 Burned by the embers of love, it is so cruel
 Howling the night, for sun of the midnight
 Serving the people, condemned you in the eternal night

Of the lost song, words of the stranger
 The howling miller, never to face her

Temple of the evil, temple of the weak
 No one knows how bad he feels
 Late-night innuendo, temptation of the key
 Live with the black sheep, live with me
