

# Sonata Arctica - Blank File

tom:  
 Gb (forma dos acordes no tom de G )  
 Afinação: Eb Ab Db Gb Bb Eb

It is your new best friend  
 New eye in your private den  
 And you can find the world inside it every day  
 They know what you did today  
 Hear everything you say  
 And when they send you mail  
 They know where you will go sometime next day

They know your life, they have a file about you  
 They built your life, so they...

Know what you like and know what you yearn  
 But they don't know a thing about me  
 I'm not that easy, blank file in their memory

Caught in the web again  
 Inside your private den

Where you can go to the moon  
 Or meet some people you will never see

You are a file in there  
 Money in an open fair  
 You're a slave among the slaves  
 Waiting for the future with a fear

They know your life, they have a file about you  
 They built your life, so they...

Know what you like and know what you yearn  
 But they don't know a thing about me

I'm not that easy, blank file in their memory  
 Still they try to take over, control my life  
 But no one can do it but me  
 I'm not that easy, blank file in their memory

Know what you like and know what you yearn  
 But they don't know a thing about me  
 I'm not that easy, blank file in their memory

I am waiting, hoping and praying  
 To see how this will end when they go down

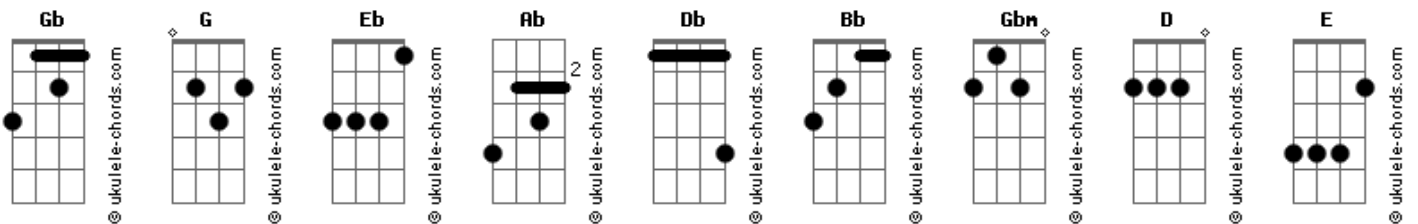

How can it be, that you cannot see  
 What they are doing with thee  
 You are a life, new file in their memory, now they

Know what you like and know what you yearn  
 But they don't know a thing about me  
 I'm not that easy, blank file in their memory

( Gb Db Fm Bbm )  
 ( Gb Db Fm Ab )

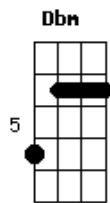

How can it be, that you cannot see  
 What they are doing with thee  
 Spending your time, living your life  
 Inside their machines there is one empty file, it is me
