

# Sonata Arctica - Cloud Factory

Tom: C

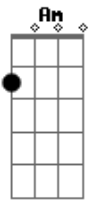

For every child there dawns the day  
 They wonder from where they come  
 Why is the sky so pink tonight?  
 How fast do clouds fly by?  
 And so you come up with stories you tell  
 Eyes are o--pen wide  
 When you tell them about the sky  
 And all that beneath resides  
 There is a factory clouds are made in  
 They make 'em big and blue  
 The factory eats you, it swallows you whole  
 It fills you with conceit and never lets you leave  
 If you ever dream at the end of the day  
 That you're gonna live as a free man  
 There's no hook, no sinker, no line  
 And you will never leave the cloud factory  
 If you join the same brigade I  
 Did when I was young  
 You will never see beyond the skyline of this town  
 Take my word, my son and run  
 While your dreams fly free  
 Have them write my story down  
 Like silence breaking sound  
 There is a factory clouds are made in  
 They make 'em big and blue  
 The factory eats you, it swallows you whole  
 It fills you with conceit and never lets you leave  
 If you ever dream at the end of the day  
 That you're gonna live as a free man  
 There's no hook, no sinker, no line  
 And you will never leave the cloud factory

 Lai lai lai lai lai lai  
 Lai lai lai lai lai lai, woah

 Some of you never leave  
 You believe what you see  
 And you follow the lead  
 Woah Woah  
 But the eyes they deceive  
 There is nothing to see  
 But cloud factory dreams, woah  
 But hey, isn't it fun at the end of the day  
 When everyone looks like me  
 Swallowing pints of stale apathy  
 Having dreams where I would be without the factory  
 If you ever dream at the end of the day  
 That you're gonna live as a free man  
 There's no hook, no sinker, no line  
 And you will never leave the cloud factory  
 There is a factory clouds are made in  
 They make 'em big and blue  
 The factory eats you, it swallows you whole  
 It fills you with conceit and never lets you leave  
 If you ever dream at the end of the day  
 That you're gonna live as a free man  
 Irony shall be the justice you find  
 In case you ever leave the cloud factory

 Lai lai lai lai lai lai  
 Lai lai lai lai lai lai lai lai
