

Sonata Arctica - Cloud Factory

Tom: C

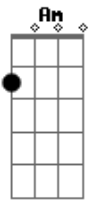

Am
For every child there dawns the day
G C G
They wonder from where they come
Am
Why is the sky so pink tonight?
G C
How fast do clouds fly by?
F G Am
And so you come up with stories you tell
Dm C F
Eyes are o--pen wide
G C Am
When you tell them about the sky
G C Am
And all that beneath resides
G C F
There is a factory clouds are made in
G C F
They make 'em big and blue
G C F
The factory eats you, it swallows you whole
Dm Am Dm Am
It fills you with conceit and never lets you leave
G C F
If you ever dream at the end of the day
G C F
That you're gonna live as a free man
G C F
There's no hook, no sinker, no line
Dm Am Dm Am
And you will never leave the cloud factory
Am G
If you join the same brigade I
C
Did when I was young
Am G C
You will never see beyond the skyline of this town
F G Am
Take my word, my son and run
Dm C F
While your dreams fly free
G C Am
Have them write my story down
G C Am
Like silence breaking sound
G C F
There is a factory clouds are made in
G C F
They make 'em big and blue
G C F
The factory eats you, it swallows you whole
Dm Am Dm Am
It fills you with conceit and never lets you leave
G C F
If you ever dream at the end of the day
G C F
That you're gonna live as a free man
G C F
There's no hook, no sinker, no line
Dm Am Dm Am
And you will never leave the cloud factory

And you follow the lead

Woah Woah

But the eyes they deceive
Gb
There is nothing to see
E B
But cloud factory dreams, woah
G C F
But hey, isn't it fun at the end of the day
G C F
When everyone looks like me
G C F
Swallowing pints of stale apathy
Dm Am Dm Am
Having dreams where I would be without the factory
G C F
If you ever dream at the end of the day
G C F
That you're gonna live as a free man
G C F
There's no hook, no sinker, no line
Dm Am Dm Am

G C F
Irony shall be the justice you find
Dm Am Dm C
In case you ever leave the cloud factory
