

# Sonata Arctica - Full Moon

Tom: C

Sitting in a corner all alone  
 Staring from the bottom of his soul  
 Watching the night come in from the window window  
 It'll all collapse tonight, the fullmoon is here again  
 In sickness and in health, understanding so demanding  
 It has no name, there's one for every season  
 Makes him insane to know  
 ( Am F E )

Running away from it all  
 "I'll be safe in the cornfields", he thinks

Hunted by his own  
 Again he feels the moon rising on the sky

Find a barn which to sleep in, but can he hide anymore  
 Someones at the door, understanding too demanding  
 Can this be wrong, it's love that is not ending  
 Makes him insane to know

She should not lock the open door  
 (Run away run away, run away)

Fullmoon is on the sky and He's not a man anymore  
 She sees the change in him but can't  
 (Run away run away, run away)

See what became out of her man ( C E Am G )

Full moon

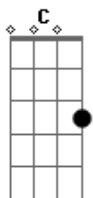

Swimming across the bay,  
 The night is gray, so calm today  
 She doesn't want that way  
 "We've gotta make the love complete tonight"

In the mist of the morning he cannot fight anymore  
 Hundred moons or more, he's been howling  
 Knock on the door, and scream that is soon ending  
 Mess on the floor again

She should not lock the open door  
 (Run away run away, run away)  
 Fullmoon is on the sky and He's not a man anymore  
 She sees the change in him but can't  
 (Run away run away, run away)  
 See what became out of her man

She should not lock the open door  
 (Run away run away, run away)  
 Fullmoon is on the sky and He's not a man anymore (whoa... whoa!)  
 See what became out of her man  
 ( C E Am G )
