Sonata Arctica - Last Drop Falls

```
           tom:
            G
     Tune down 1/2 step!
```

```
                                                    |    |
                                                    |    |
```

LYRICS:
When I´m looking in your eyes
Everything seems to fade away
After all these years we had do I know you now
Have I trusted blindly in your love, too many times

You said: "hey, my love, I´m sorry but we can´t go on ´cause
I´m in love with someone else"
Tell me, what do you want me to say
When you treat me this way

Oh I love you, maybe
And I hope it goes away
Oh, how I want you daily
I know it´s gonna stay

You are so self satisfied
Always ready for a ride
Double crossing, lousy cheat, love you anyway
You have warm and tender devils soul, you are so low

```
                                  =play these tones with the volume
swell effect!
```
I can hear you say: "I´m sorry, should we still go on,
I´m not in love with that someone else"
Tell me, what do you want me to say
When you treat me this way

Oh I love you, maybe?
And I hope it goes away
Oh, how I want you daily

Tell me now that...
I have found the whore in you
Why can´t I tell you no
Time will show, the last word is for me

```
pm................|                                       If you fail to see the problem we have, one room full of walls
                             _____          Jar of love isn´t dry until the last drop falls
_____
|  Clean Sound        |1.2.3.            |4.
```
The moment I will step aside, you´re ready for another ride
Walking in the cool night air without underwear
You have red light burning in your soul, I´ve seen the glow

In every dream I have I say: "I´m not in love with you"
But every day I say I do
You have messed with my head so many times
Forced me to love you (spoken)

```
=====================
=TABLATURE EXPLANATION=
=====================
```
Now that...
I have found the whore in you
Why Can´t I tell you no
Time will show, the last word is for me

A.H. = Artificial Harmonic

If you fail to see the problem we have, one room full of walls
I will try until the last drop falls

pm..| = Palm mute

Now that...
I have found the whore in you

h = hammer on

Why Can´t I tell you no
Time will show, the last word is for me

p = pull off

If you fail to see the problem we have, one room full of walls
I will try until the last drop falls

/ = slide up

\ = slide down

~ = Vibrato

b = Bend

x\ = Pick Slide

Acordes
