LYRICS:

..| pm pm pm.....|  
pm..|

My own land has closed it's gates on me  
All alone in world, it's scaring me

I am here to prove you wrong  
I'm accused of something I live for

pm..| pm..|  
pm.....

In my dreamland, there's some who understands  
A friendly soul, trusting life in my hands

..| pm.....| pm.....| pm.....| pm.....|  
pm.....| pm.....|

Yes, I gave it all I can

pm.....|

Now it's invaded by a stranger

Keep in mind what you have heard today  
You might find that you are not so brave  
Are you man enough, carry the load all alone  
When others have you own

My old land is but a pile of sand  
Cold and bare but something still is there

Yes, I gave it all I can  
Now it's invaded by a stranger

Keep in mind what you have heard today  
You might find that you are not so brave  
Are you man enough, carry the load all alone  
When others have you own

I'm a true patriot, you are my land,  
you have my sould, you have all I had

## Acordes

Now I am here, and I want it all back

In my dreams I climb the hills I see  
and let a gentle breeze lead me to  
plains I once have seen and  
Clear blue sky, I swim in lakes I find  
I build a house right there  
that you can't take - never take away

I am here to claim my land  
you can't keep me away forever

Keep in mind what you have heard today  
You might find that you are not so brave  
Are you man enough, carry the load all alone  
When others have you own

Are you man enough, carry the load all alone  
When others have you own
