pn]       In your own blaze of hate you's spame fear in many luses you's cannot heal the freeLing burning of the stands your spine from action thinking it was all said on the sines you cannot heal the freeLing burning development of the stands your spine you cannot heal the freeLing burning development of the stands your spine you contained the stands your spine your you contained the your your you		
Mother I've seen too much. I hate to live my Life         Grout every word you told me, stubborn little child, (angel of your life)         I have to colors too bright, not knowing that I wes blind in the volume to gain         maintenance         mainten	pm	You've taken action thinking it was all said on the signs You cannot heal the feeling burning deep inside your spine
Now I have time to dwell on self avareness, dreadful crime         Jardin State		Forgot every word you told me, stubborn little child, (angel of your life) I have to find my Eden now, the gates I left behind But the pain will remain
Father I've seen too nuch. I hate to live my life         Forgot every word you told me, stubborn little child, (angel of your life)         I have to find my Eden now, the gates I left behind But the pain will remain No power to gain         mm	D  D	I saw the colors too bright, not knowing that I was blind I slayed a man who took a chance and drank the forbidden wine The map I draw reveals that I have been complete , machine in

"Children of Abel, Children of Cain Can now live in a harmony, without a shame

The keys that I grant thee, The sacred land Are dry desert sand on the palm of your hand Without the water, the wisdom of past Will run through your fingers, forgotten so fast Thus when I leave you, I'm truly blind This blindness, this blessing, the hope of mankind..."

"And I fucking touched the mic, hold on..."
