

# Sonata Arctica - The Wind Beneath My Wings

tom:  
Ab (forma dos acordes no tom de A )

Afinação: Eb Ab Db Gb Bb Eb

It must have been cold there in my shadow  
To never have sunlight in your face  
And you can content to let me shine  
You always walked a step behind

I was the one with all the glory  
While you were the one with all the strength  
Only a face without a name  
I never once heard you complain

Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know, I know the truth, yes i do  
I would be nothing without you
