

# Sonic Youth - I Dreamed I Dream

Tom: **Bb**

subject: i dreamed i dream  
transcribed by mike abraham

tune a half step down

here are guitar variations of the soniK noise

variation 1

just make alot of noise in **A** minor

variation 2

you'll have to listen to the song (if you have it)

-----  
-----

[Kim]  
Look before you leap, okay?  
Do you read me?  
May all your dreams come true  
He's standing by the door

[Lee]  
You slept  
Did I drift?  
Do I dream?  
Do you read me?

He's got something in his hands  
All the money's gone  
All the money's gone  
The days we spend, go on and on  
Shift  
Fucking youth  
Working youth  
May all your dreams come true  
sound today are

A lot of people suffer  
sound today are  
From impotence  
All the money's gone  
The days we spend go on and on  
happen

Fucking youth  
Working youth  
Fucking youth  
on and on  
Working youth  
Fucking youth  
Fucking youth  
Working youth

I love yr all  
mike abraham

I'm not speaking  
Do you read me?  
I dream

I dream

Sound today are you  
you sound today?  
Sound today are you

You sound today?  
Today  
These things don't

automatically  
I dream  
Edith moves each step  
The days we spent go

I dream  
Do you read me?

## Acordes
