

Sonic Youth - Im Insane

I'M INSANE

Bass tab by Chris Lawrence.

The high notes may or may not be bass, but it sounds cool to play them on bass, anyways.

You wanna do a hammer-on or slide between the G and Ab (first 2 notes)

G--12--13--13----- Sometimes: --18-18-18-----

D-----0-0-0-0-0-
 A-----
 E-----

Then, the end goes:

G--9-----
 D----0-0-0-0-etc.--
 A-----
 E-----
