Here's some more tab-Into the Groove(y). Also....about two months ago ${\tt I}$ sent

you some new 100% B-Tab cuz the one I had up there was

horribly wrong. Do you

need me to send it to you again? If so, I can. Thanks, bye.

The Whitey Album. Tabbed by Simon (SilvrR).

The whole song is (w/distortion):

A -3-6---E ----4-6

No timing represented-it's pretty obvious.

Commentsorrections to the above address and please give me credit if you $\ensuremath{\mathsf{T}}$

post this somewhere else. Thanks.
