

Sonic Youth - Or

Tom: **F**

Which he then sometimes follows with this:

Tabbed by Jason Pratt

Tuning: D#D#A#D#G**G**

Around 1:35 he starts playing some high skronky chord...something along the lines of:

Lee plays an acoustic guitar in the above tuning for this song.

Again, most of his part is subtle noise...he gently bangs on the body of the guitar and lets the strings resonate. He pretty much does the same thing on

At 1:57 he goes back to banging on the guitar again

the recording, although it sounds like the occasionally hits the open strings too
