tuning both gtrs: EG#EG#E**Ab**

Intro: /verse:

sometimes just play muted harmonics circa 3rd/4th frets instead of 2nd chord, or mute the top strings w/ yer spare finger.

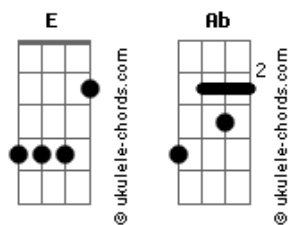

end on low E.

instrumental:

(thanks to andrew roberts '96 for original tab of this section)

first guitar alternates between picking these 2 chords (listen to record for picking patterns):

## Acordes

when the 2nd guitar comes in, the first guitar changes to this:

the lead gtr goes: (double up on middle **E** strings if you want)

1st guitar, end of instrumental into verse:

mutes are mixture of harmonics/open strings...
