

Sonic Youth - Pretty Pretty

'look at me..' Riff B: ..Tabbed out by my bass teacher and I. Suprisingly, this song will probably give you the most trouble of any of the G: |-----| This is the part played during ones I've posted so far. If you don't have a bass with a B D: |-----| the 'bwah bwah' things. (well, A: |------0-0-0-5-5-| that's what I call them.. :) string on it, While he sings 'send you you'll have to tune down. I'll write this out as it would be B: | -0-0-0-5-5-----| played on a straight to hell.. four stringer with the E tuned down to a B. This isn't as accurate as I'd like it, but I only have a 4 Riff A: string guitar here, and I'm not about to tune down just to test this out. G:|----- This is the part that's I'm sure it's played right, though. D:|----- at the 'a friendly wave..' part.

A:|-----| It stops for the 'pretty written out by noah, email to with comments, letters of appreciation, and other tabs. :) lucky to be B: |-5-5--5-8-5--2--5-5--0-0-0-| alive' part, and then " You I! You I! Unify! comes back for Unify! "
