D A E

Feels like change
E

Blue skies will turn to gray

It's hard to make it through the day

Always hope, when you're up against the rose

It doesn't last forever, you know

E7 there's heaven in you

Yea you can push through

There's heaven in you

E7 I know there'll be a day

At the end of the rainbow

You will fly leave this world behind

At the end of the rainbow

You will shine

One step at a time

One step at a time

They can't smile

Nothing behind the eyes

Smoking mirrors don't let you hide

Don't be afraid, i know you'll see better days

D A E

Come out the haze, take your time

'cause there's heaven in you

Yea you can push through

There's heaven in you

E7 I know you'll find a way

At the end of the rainbow

You will fly

Leave this world behind

At the end of the rainbow

You will shine

One step at a time

G D little light shining bright, through the tunel

You gotta get through, you gotta get through this

There's a little light shining bright

Through the tunel, you gotta get through

Gotta get through this

Cause at the end of the rainbow, you will fly

Leave this world behind

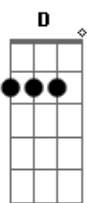

At the end of the rainbow

You will shine

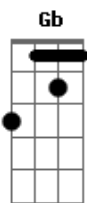

One step at a time

One step at a time
