

# Sons Of The East - Into The Sun

tom:  
 Capostraste na 4ª casa

[Primeira Parte]

Am C  
 Stealing glances at the pavement  
 Gadd9 Dadd9  
 Well, the weight it comes too soon  
 Am C  
 Supposed to keep on rolling  
 Gadd9 Dadd9  
 But the race is nothing new

Am  
 As the train, it starts to go  
 C  
 And it takes our bodies slow  
 Gadd9  
 And I know you wanted  
 Dadd9  
 to for some time now

Am  
 All this time you're gone  
 C  
 In your wake I stumble on  
 Gadd9  
 But the smoke is nothing  
 Dadd9  
 that I haven't seen

[Refrão]

C Em7 Dadd9  
 So I walk into the sun  
 Gadd9 C  
 I thought you'd be there  
 Em7 Dadd9  
 But you could fool anyone

C Em7 Dadd9  
 Got a head full of dust  
 Gadd9 C  
 Will I see you soon  
 Em7 Dadd9  
 Or did we move on?

Dadd9  
 Mmm  
 Am C  
 Oooooh  
 Gadd9 Dadd9  
 Oooooh

[Segunda Parte]

Am C  
 The crowd begins to break up  
 Gadd9 Dadd9  
 They're calling their goodbyes
