

Sophie B. Hawkins - As I Lay Me Down

Tom: G

G D C D Em C
 it felt like springtime on this february morning
 G D G D
 in the courtyard birds were singing your praise
 C D Em C
 i'm still recalling things you said to make me feel
 G D
 alright, i carry them with me today now
 G D C D G D
 as i lay me down to sleep, yes i pray, that you will hold
 me dear
 D G D C D G
 though i'm far away, i whisper your name, into the sky
 D C D

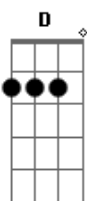

and i will wake up happy

G D C D Em C
 i wonder why i feel so high, while i'm not above my sorrow
 G D G D
 heavy hearted 'til you call my name
 D C D Em
 and it sounds like churchbells or the whistle of a train
 C G D
 on a summer evening I want to meet you there, i'm barely
 breathing...
 G D C D G
 it's not too near for me, like a flower i need the rain
 D C D G
 though it's not real to me, every season has its change
 D C
 and i will see you when the sun comes out again
