

Sorriso Maroto - Samba é bom de qualquer jeito

Tom: C

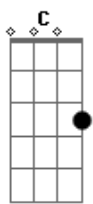

Você me chamou pra sambar Eu não to fazendo nada, eu vou
 Quando eu começo a sambar Vou até de madrugada, eu vou
 Eu quero é mais swingar no balanço da moçada, eu vou
 Eu quero pagodear junto com a rapaziada, eu vou
 Viva a nova geração, nova cara, novo samba (sam ... ba)
 Preste atenção, meu irmão todo mundo canta samba (samba)

E quem não sabe sambar nessa terra Brasileira
 Juro e até posso afirmar, pode crer tá de bobeira

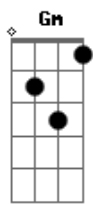

Am7- D7 G
 Vamos lá

Chega de comparar Sinta a emoção no ar
 Samba é bom de qualquer jeito
 Expressão popular Nosso povo tá feliz
 Não importa se o samba é novo ou de raiz.
