

# Soulsavers - Don't Cry

Tom: A

**Gbm**  
I found you in a hole in basement  
Laying on the floor  
**Dbm**  
You could feel the time come knocking  
Knocking at your door  
**Gbm**  
He'll give you something  
And you'll were begging for more  
**Dbm**  
You're on a Cricket Road to nowhere  
Honey, that's for sure

**D** **Gbm**  
It's the same old feeling  
**E** **Dbm**  
You don't have to lie  
**D** **Gbm**  
Yeah it don't mean nothing  
**E** **Dbm**  
I'm gonna tell you why  
**D** **Bm**  
Don't cry now, don't cry  
**D**  
Don't you cry girl  
**Bm** **Gbm**  
You'll be alright

**Gbm**  
Come on get up from down now  
He's dead on that floor  
**Dbm**  
He's got to read on the palm of his hand now  
Like all this times before  
**Gbm**  
You're so lost in your kingdom  
Your kingdom of fear  
**Dbm**  
And there's no one out there  
No one's gonna repeal

**D** **Gbm**  
It's the same old feeling  
**E** **Dbm**  
You don't have to lie  
**D** **Gbm**  
Yeah it don't mean nothing  
**E** **Dbm**  
I'm gonna tell you why  
**D** **Bm**  
Don't cry now, don't cry  
**D**  
Don't you cry girl  
**Bm** **Gbm**  
You'll be alright

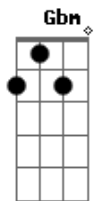

**Gbm**  
Remember when I found you praying  
You were down on your knees  
**Dbm**  
You're looking for communication  
To put your mind at ease  
**Gbm**  
You gotta reach out to someone  
I know you'll try  
**Dbm**  
You know i love you more than life itself  
I just can tell you why

**D** **Gbm**  
It's the same old feeling  
**E** **Dbm**  
You don't have to lie  
**D** **Gbm**  
Yeah it don't mean nothing  
**E** **Dbm**  
I'm gonna tell you why  
**D** **Bm**  
Don't cry now, don't cry  
**D**  
Don't you cry girl  
**Bm** **Gbm**  
You'll be alright
